

Notice of temporary traffic lights on Bar Hill A525, Madeley

High Speed Two (HS2) is the new high speed railway for Britain.

Project update

On 4 October 2023, the Prime Minister announced that the Government proposes to deliver a broad range of transport initiatives in place of investing in Phase Two of HS2. This means that HS2 Ltd is not undertaking any 'new' work to progress plans for Phase 2a of the project and is working with Government to agree the next steps on this phase of the project.

The activity described below is needed either to finish work on an existing site, for the ongoing maintenance of a site, or for health, safety and security reasons.

What we are doing

As part of our ongoing maintenance works along Station Road, we will be carrying out essential works to roadside trees from **3 - 7 June 2024**. These works are required to ensure the public highway remains clear and safe to use.

Balfour Beatty will be installing ground protection matting to access and survey the trees and remove any unsafe features as necessary.

We will need to install an off-peak lane closure with temporary traffic lights on the A525 to access the site and manage the safe movement of vehicles and people required to carry out the works.

If your journey is affected by these works, we appreciate your patience and understanding for any minor delay. We also urge you to allow some additional time for your journey as necessary.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Monday 3 June to Friday
7 June 2024, 9:30am -
3:00pm

Daytime working

What we will do

Install temporary traffic lights on Bar Hill, north of the Station Road junction.

Working off peak to minimise disturbance to local residents and schools

Inform you in advance of any changes to the dates and working times shown.

What to expect

Minor traffic delays during off-peak hours.

Some low-level noise.

How will this affect you?

We will put the temporary lane closure in place intermittently from **Monday 3 June to Friday 7 June 2024, between 9:30am – 3:00pm**

The equipment we use may generate some low-level noise. We will be switching off engines when not in use and working during the day to minimise disturbance to local residents and schools. We will also ensure the traffic lights are only in operation during periods when work is being undertaken to minimise disruption to your journeys.

The map below shows in red where we will be installing the temporary traffic lights.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
